

specification behaviors

The diagram consists of a large light blue rounded rectangle with a dark blue border. Inside it is a smaller light green rounded rectangle with a dark green border. The blue rectangle contains three black dots: one in the top right, one in the bottom left, and one on the right edge. The green rectangle contains three black dots arranged in a triangular pattern. A dashed orange arrow points from the right edge of the blue rectangle to a yellow rectangle on the right. The yellow rectangle has a brown border and contains the text 'forbidden extra behavior'.
